RE: TaQtics Consulting

Allegiance Bank has enjoyed a working relationship with Ibrahim Saleh since 2015 in both the capacity as a customer, and strategic referral partner.

His advisory firm, TaQtics Consulting, is a known quantity to Allegiance Bank providing highly qualified applicants, borrowers, and prospects to our organization. Their accounting and business advisory services have proved to be a valuable asset to our organization, our customers, and other strategic partnerships.

We will continue to recommend their services by referring our small to medium size business owners for any business advisory or accounting services.
